

Digital Transformation of Official Nautical Charts and Publications

The SE Australia Nautical Institute branch in partnership with the Cruising Yacht Club of Australia (CYCA) is excited to announce a presentation by Commodore Stewart Dunne RAN, Hydrographer of Australia, on the Digital Transformation of Official Nautical Charts and Publications.

Date/Time; Wednesday 30 June 2021; 1800 start (approximately 60 minutes duration)

Venue: The Cruising Yacht Club of Australia, 1 New Beach Road, Darling Point, Sydney (10min walk from Edgecliff train station)

Dinner - After the presentation dinner can be ordered downstairs from the CYCA restaurant. Check this link for the menu and prices <https://blondcatering.com.au/blond-cyca/bistro/>

Presentation: Navigation safety underwrites Australia's maritime prosperity and the digital age presents significant opportunities to enhance the information available to the mariner. Understand the pathway of the AHO's digital transformation towards a complete electronic-based official charting and publication system and the steps mariners can take to embrace the latest and planned digital charting information and publications as the AHO joins other Hydrographic Offices in moves towards a 'paper free' product suite by 2026.

With the current social distancing requirements, the venue has a maximum capacity of 100 persons. Nautical Institute/CYCA have 50 tickets each. They will not last long!

Please use this link <https://www.trybooking.com/BRURS> to book your place. Tickets \$20pp to cover costs & raise funds for branch future events.
